Accidents Can Happen

Author's Notes:
Written in a minute. Actually probably too short to call it a drabble... But nevermind. Enjoy!

I was doing some paperwork on the coffee table in the livingroom when he crawled in my lap and started kissing me.

"Don't do that. Do me."

So I did. Right there. I wiped the papers from the table and fucked him on it.

And we broke it. We fucking broke the motherfucking coffee table.

Had no time to panic. We just continued screwing on the floor.
